Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents

The communication filed on December 2, 2002 is non-responsive to the prior Office action because the marked up copy of the claims does not indicate all of the changes made to the claims. Also, the statement that "GEOPROBE" is well known does not fulfill the requirement that a trademark be accompanied by generic terminology. Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 CFR 1.136(a) OR (b), but the period for response set in the last office action may be extended up to a maximum of SIX MONTHS.

Any inquiry concerning this communication should be directed to Christopher Upton at telephone number (703) 308-3741.
